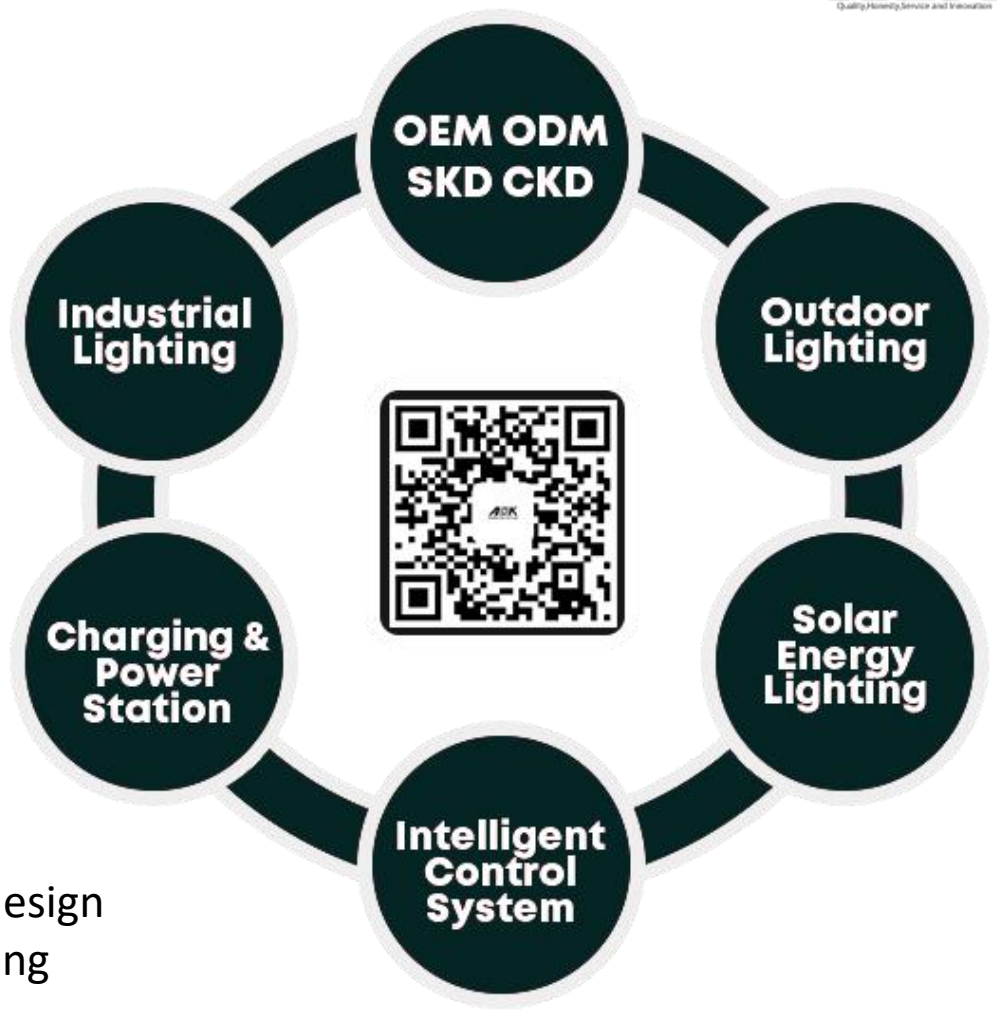
Brief Introduction

PORTFOLIO

- Established in **2012**
- Factory scale: **15,000m²**+ factory/**5,000**m²+ office space
- Average capacity: **2000-3000**pcs/day
- Comprehensive R&D team, **80+** annual products design, tailored optics design & lighting simulation service
- Outdoor/indoor lighting **OEM/ODM/SKD/CKD** & expectational customer service



TECHNOLOGY

- High efficacy: Superior energy efficiency with cutting-edge technology
- Advance: Refined die-casting and manufacturing techniques
- Smart lighting: IoT intelligent lighting solutions, solar powered systems design
- Eco-friendly: Recycled materials and components for products & packaging

IP66 IK10 LM79 TM21 ISO:9001 ISO:14001 ISO:45001

Development History of AOK

2012

Established factory with
ISO9001 & ISO14001 standard

2013

LUMILEDS

AOK became the
Best Partner with Lumileds
We hold annual technical
seminar ever since

2014

Certified by **UL** company
with factory audit and passed
TUV factory inspection

2015

Won the prize of
Innovating Enterprise China

2016

Lighting Council AUSTRALIA

Become a **member of Australia Lighting Council**,factory expanded
to 8,000 square meters

2017

DIALux

Set up company and **Technical Service Center in USA,** branch in Germany & France,
and partnership with **DIAlux**

2018

Established
Die-casting Factory

2022

BSCI
Business Social Compliance Initiative

Certified by
ISO45001 standard and **BSCI**

2023

Established
AOK Huizhou 2023

2024

Established
Philippine Factory

2026

Looking forward to cooperate with you

Milestone

130lm/W

• In 2012, our LED streetlight series led in luminous efficiency, reaching 130lm/W, while other products were limited to 100lm/W.

LUMILEDS

• LUMILEDS showcased AOK products as demonstration fixtures in the lightfair.

30,000 Units

• For a 30,000 units streetlight project, AOK 135W solution, optimized for light distribution, outperformed a competitor's 150W product, helping the client win the project.

U.S. Official

• One of the first Chinese companies recognized by U.S. official highway projects, aiding clients in winning contracts.

Invention Patents

• We've developed tool-less maintenance street lights and floodlights with invention patents, offering eco-friendly, cost-effective, and recyclable solutions.

210lm/W~220lm/W

• New high-efficiency lighting system with a luminous efficacy of 210lm/W.

Scenario-based Applications

• R&D of professional scene application solutions for airports, stadiums, ports, solar systems, lighting towers, and other similar applications.

Cooperate Vision & Mission

Our Vision

Global innovation with trustworthy lighting solutions.

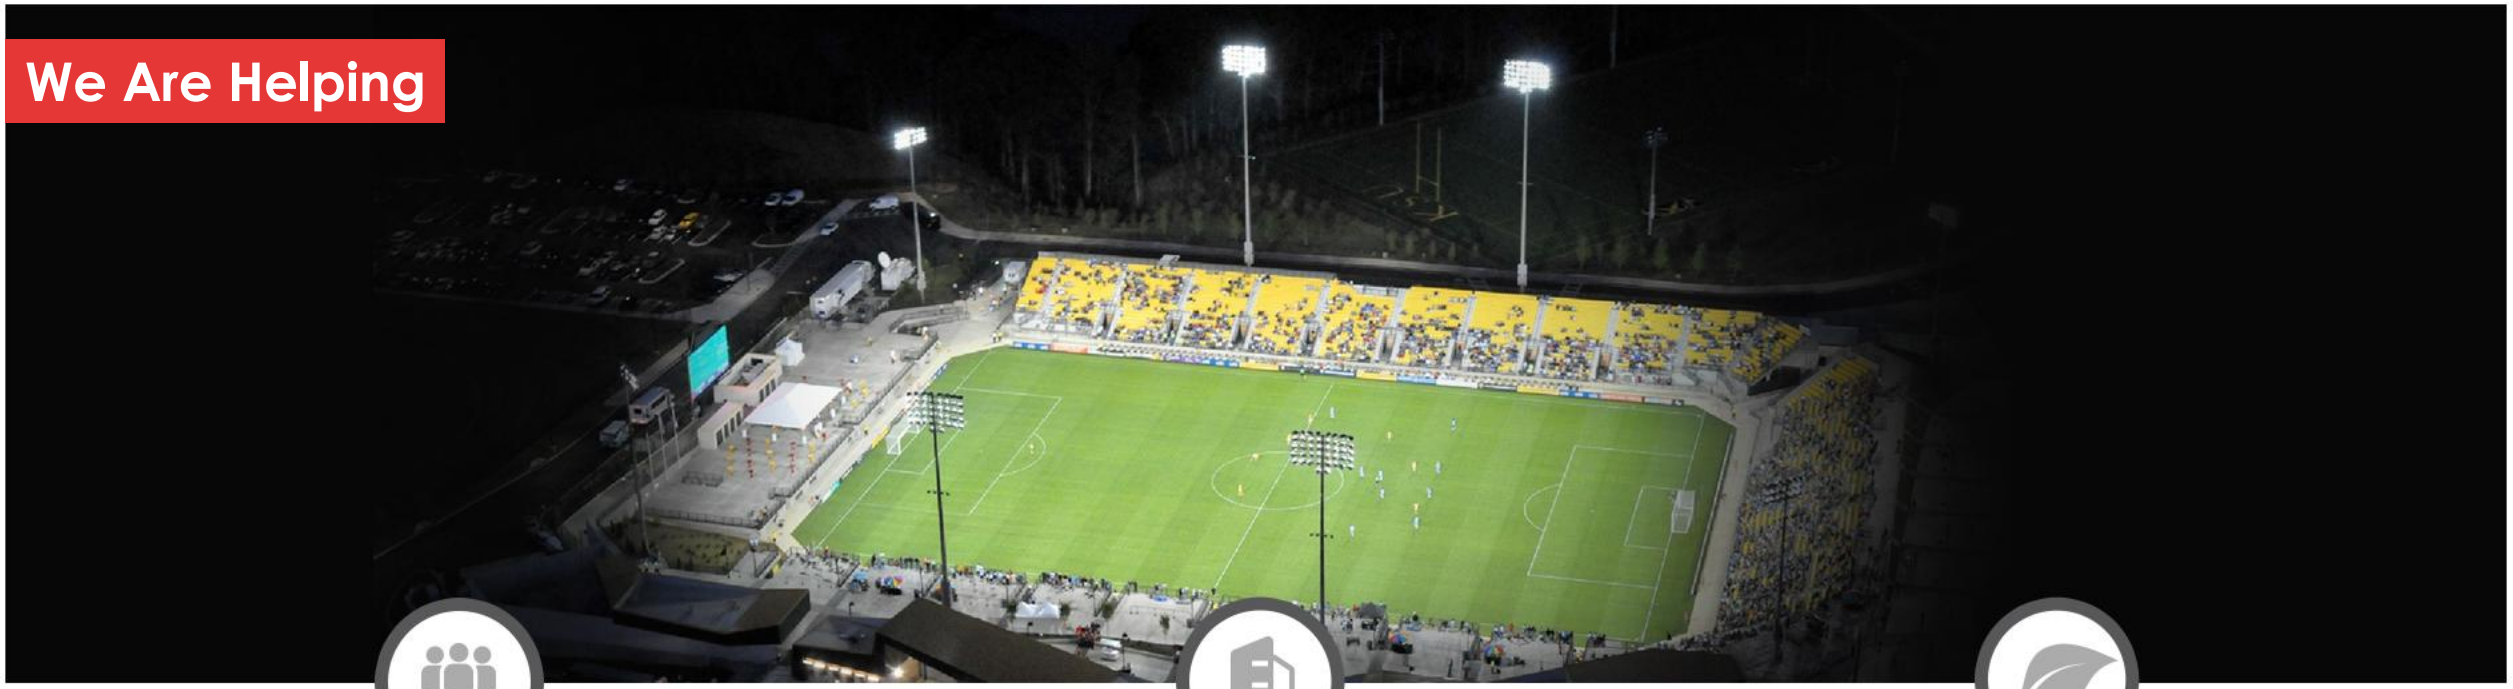
Our Mission

Efficient illumination powering a sustainable future.

Our Core Values

Social Responsibility

We Are Helping



People

to boost their productivity by providing high-quality lighting with safety and comfort, minimal glare to keep operations smooth.

Venues

good lighting is built to withstand tough environments, while also providing powerful light, ensuring the ideal light solution for the spaces & venues.

Environments

we design efficient, low-energy solutions with minimal maintenance for cost savings and optimal lighting harmony.

AOK®
Quality, Honesty, Service and Innovation

WHY IS AOK

General Market & Service Info

MARKET ACCESS

- Robust sales, service & R&D team in key markets (USA, Europe, Asia, Mid-east, etc.)
- Transnational agent cooperation channels served
- Technical support for local manufacturing

MARKET SHARE

U.S.A.: 35%
Europe: 20%
Mid-east: 15%
Aisa: 15%
South America: 15%

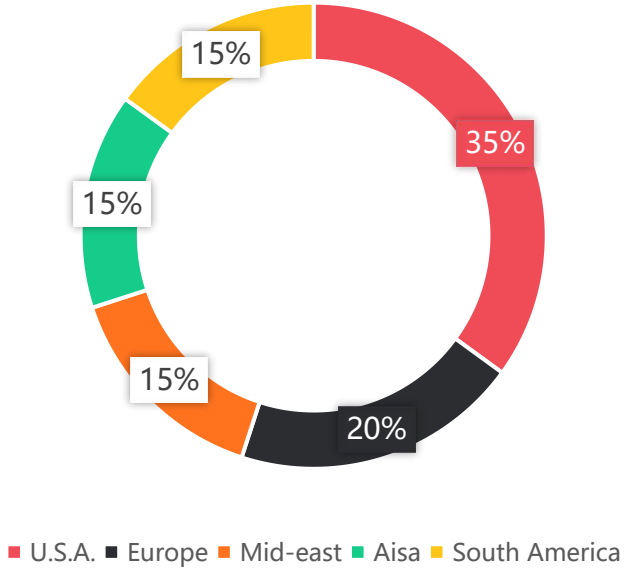
QC & CUSTOMER SERVICE

Quality assured, with customer complaints **<0.1%**

21 major testing facilities, quality guaranteed

28+ rigorous quality inspection procedures

After-sales response within **24 hrs**, resolution in **48 hrs**.



Strategic Cooperation & Market Support

6 Key Advantages to Support Your Business

Project Protection

Private mode, agreements & approvals

Triangle Customer Service

Consultan-style service, sales, operation & tech team support

R&D & Design Service

Over 80 new product designs per year with patent protection.

Project Simulation Service

Optical design, project simulation, and optimization.

Delivery Assurance

Excellent supply chain integration management to ensure timely delivery.

Financial Support

Reasonable payment term planning to ensure smooth project execution.

Benefits Customers from Systematic & Risk Management

Systematic Production & Security Management

MAS

Manufacturing automation system

SCSMS

Security management system for the supply chain certificate

PLM System

Product lifecycle management

BSCI

Business social compliance initiative

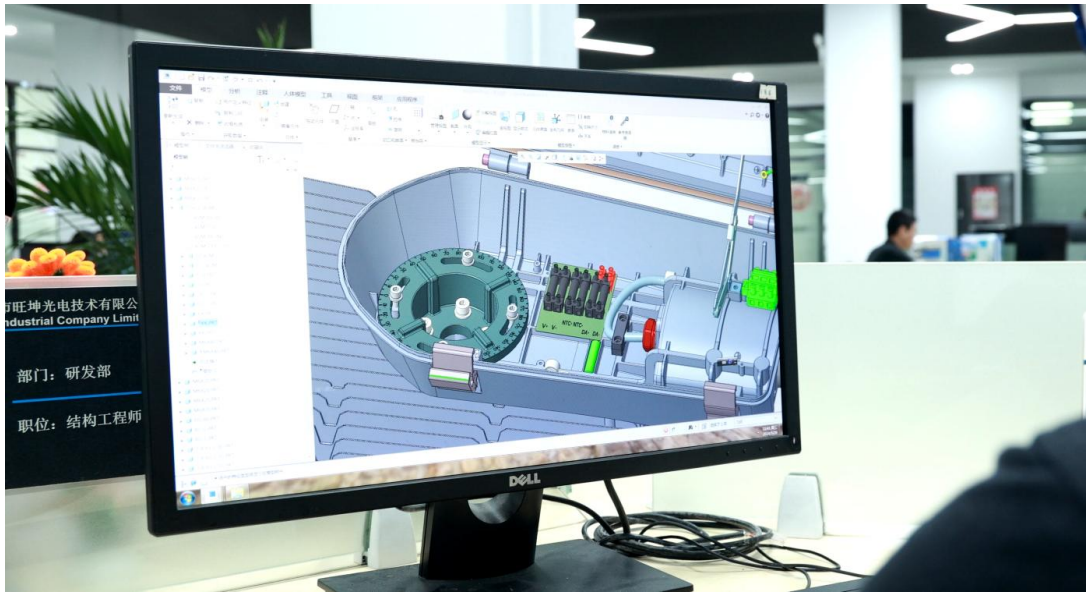
ISO:28000

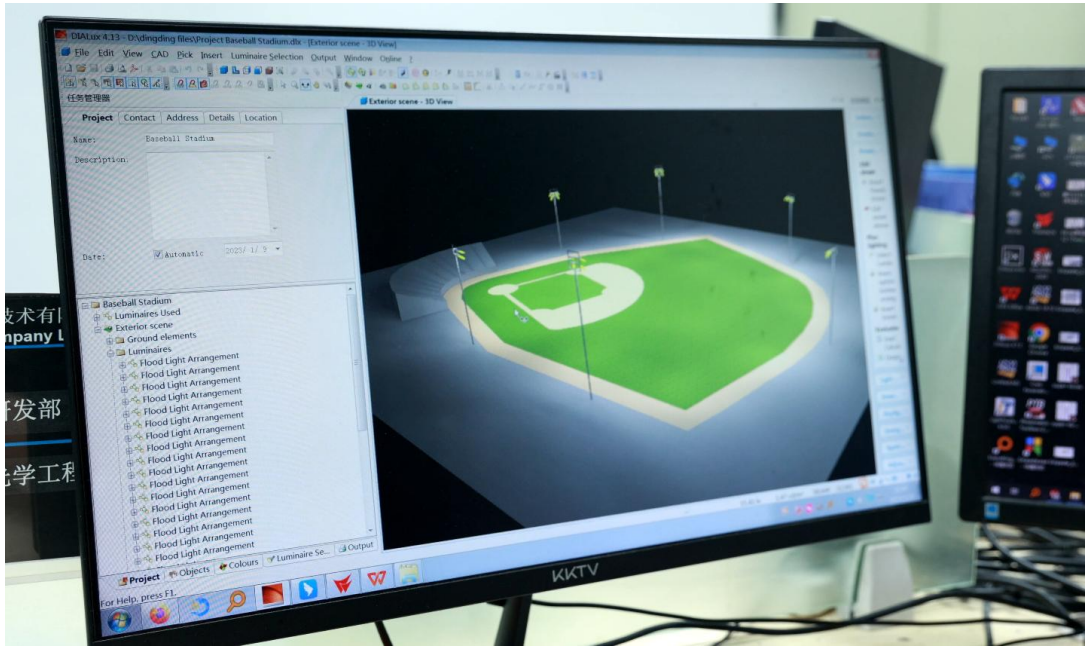
Transportation and logistics risk control

Sophisticated R&D Team

Annual New Products Design **80+**

- OEM & ODM
- Complete Design in 1~7 Days
- Lighting Design for Clients





Sophisticated R&D Team

Sophisticated Solutions for **Tailor Made Project**

Supply Chain & QC Control

International Strategic Partners

Selection of Internationally Renowned Brands:

- We have established long-term, stable partnerships with multiple reputable suppliers to ensure the quality of raw materials, components, and a dependable supply.

Supply Chain Advantages

Die-Casting

We operate die-casting machines from 280T to 2000T, allowing us to meet the requirements for various structural castings.

Rapid Response

Our supply chain, based in the Pearl River Delta, allows for rapid response and flexible production adjustments to meet market demand. Efficient order processing, quick manufacturing, and timely supplier deliveries boost factory responsiveness and market competitiveness.

Payment Credit

We work closely with suppliers to ensure reasonable payment terms and financial planning, and develop schedules based on project timelines, allowing us to better support bulk delivery deadlines.

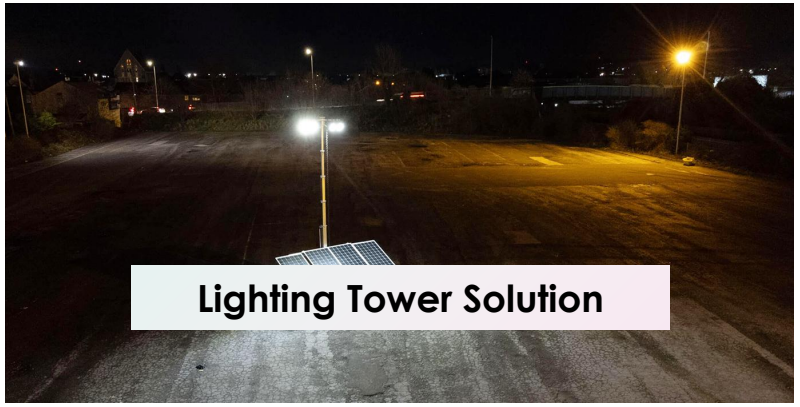
Solutions & Products

Lighting Solutions Based on Applications

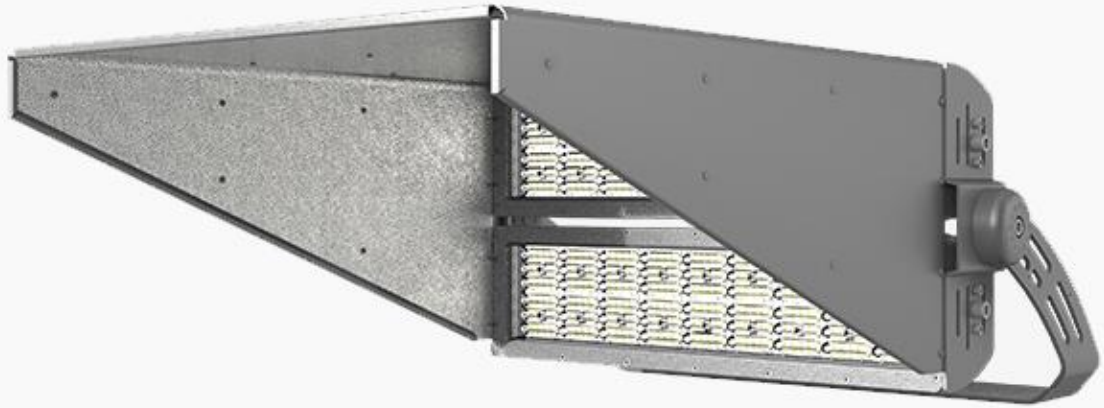


Sports & Flood Lighting

LED Stadium Light
LED Flood Light

DMX or DALI 2 Control Options

POWER: 400W-1800W
Up to **150** lm/W



ISF Series

LED Flood Light
LED Stadium Light

POWER: 315W-720W
Up to **170** lm/W

INS Series

LED Flood Light
Highmast Light

POWER: 400W-960W
Up to **170** lm/W

OF Series

LED Stadium Light
LED Flood Light

POWER: 400W/500W/600W/630W
Up to **180** lm/W

FSA Series

LED Area Light
LED Tennis Light

POWER: 230W-420W
Up to **172** lm/W

OT Series

Sports & Flood Lighting

LED Sports Light
LED Flood Light

POWER: 400W-1200W
Up to **200** lm/W

CASAMBI optional

FSC Series

LED Sports Light
LED Flood Light

POWER: 600W-1800W
Up to **160** lm/W

FSD Series

LED Sports Light
LED Flood Light

POWER: 300W-2000W
Up to **150** lm/W

INF-SG Series

LED Sports Light
LED Flood Light

POWER: 500W/1000W
Up to **160** lm/W

FSE Series

LED Highmast Light
LED Flood Light

POWER: 400W-600W
Up to **140** lm/W

HMA-B Series

Sports & Flood Lighting

LED Flood Light Toolless Maintain

Power: 20W-500W
Up to **200** lm/W

CCT adjustable

Power adjustable

Multiple Installation Options

FLC Series

LED Flood Light

POWER: 50W-300W
Up to **150** lm/W

FLB Series

LED Flood Light

Power: 150W-600W
Up to **180** lm/W

FLD Series

Street Lighting Solution

LED Street Light
Tool-less maintain

POWER: 20W-120W
Up to **165**lm/W

ILE Series

LED Street Light
Smart control ready

Power: 20W-300W
Up to **190** lm/W

ILA Series

LED Street Light
Multiple options

POWER: 20W-300W
Up to **200**lm/W

IL02 Series

LED Street Light

POWER: 20W-230W
Up to **145** lm/W

IL03 Series

LED Street Light

POWER: 10W-50W
Up to **165** lm/W

ILB Series

LED Street Light

POWER: 30W-320W
Up to **150**lm/W

IL06 Series

LED Street Light

POWER: 30W-300W
Up to **160**lm/W

IL08 Series

Street Lighting Solution

LED Street Light

POWER: 30W-150W
Up to **160** lm/W

ILC Series

LED Street Light

POWER: 30W-60W
Up to **160** lm/W

ILD Series

LED Street Light

Power: 20W-230W
Up to **220** lm/W

ILF Series

LED Street Light

CCT adjustable optional
Power adjustable optional

Power: 20W-135W
Up to **220** lm/W

ILG Series

LED Street Light

Power: 20W-300W
Up to **185** lm/W

ILH Series

LED Highmast Light
Express way & port

POWER: 230W-720W
Up to **170** lm/W

INM(01/03) Series

LED Highmast Light
LED Flood Light

POWER: 400W-600W
Up to **140** lm/W

HMA-A Series

LED Highmast Light
Express way & port

POWER: 400W-600W
Up to **140** lm/W

HMB Series

Area & Garden Lighting

LED Area Light
LED Shoebox Light

POWER: 75W-420W
Up to **172** lm/W

CCT & Power
Adjustable Optional

OT Series

LED Area Light
Shoebox / Parking lot lighting

POWER: 80W-300W
Up to **185** lm/W

OT02 Series

LED Garden Light
LED Amenity Light

POWER: 25W-300W
Up to **135** lm/W

IP/IPS Series

Parkinglot Light
LED Area Light

POWER: 75W-230W
Up to **150** lm/W

PLA Series

LED Area Light
Shoebox / Parking lot lighting

POWER: 100W-300W
Up to **160** lm/W

PLB Series

Solar Lighting Solution

LED All in One Solar Street Light

POWER: 20W-120W
Up to **210** lm/W

SD Series

LED All in One Solar Street Light

POWER: 20W-60W
Up to **210** lm/W

SE Series

LED Solar Garden Light Grid/Solar/Hybrid powered

POWER: 10W-30W
Up to **190** lm/W

SC Series

LED All In one Solar Street Light

Power: 15W
Up to **200** lm/W

SLA Series

Outdoor Lighting Solution

Plug & Play
LED Solar Street Light

POWER: 40W-100W
Up to **220** lm/W

SLB Series

LED All in One
Solar Street Light

POWER: 20W-30W
Up to **200** lm/W

SLC Series

LED Two In one
Solar Street Light

POWER: 40W
Up to **180** lm/W

STA Series
